A Great American Main Street Community

The Littleton Board of Selectmen and Littleton Fire Chief extend a sincere thank you to the Town of Twin Mountain and your Fire Chief Jeremy Olsen in fighting the forest fire off Girard Road on May 8th.

On behalf of the entire Town of Littleton we want to note our appreciation for the assistance your Town and fire crews provided the Littleton Fire Department during this local emergency. Your crews negotiated tough terrain, high wind conditions and a tinder dry forest floor and successfully extinguished the fire by morning.

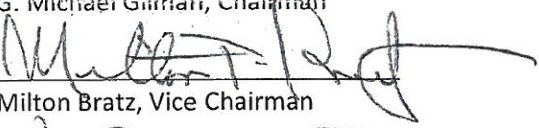

Containing the eleven acre blaze, saving a residence and doing it all without personal injury is a testament to the training and professionalism of your department. Even if your crew was assigned to cover a neighboring fire station, it was of utmost importance to a successful resolution to this emergency. Only by working together this potentially disastrous situation was resolved in an expedient manner.

Additional kudos is deserved by the area restaurants and individual donors who contributed food and drink to those "in the field" personnel.

We hope this never happens again, but we're fortunate to be able to count on our neighboring communities to help out when necessary.

Our Sincere Appreciation,

G. Michael Gillman, Chairman

Milton Bratz, Vice Chairman

Marghie Seymour, Selectman

Joseph Mercieri, Fire Chief
