

TOWN OF CARROLL BUILDING DEPARTMENT

Procedure for Permit Application & Building Inspections

Application for a permit and payment of the permit fee does not grant approval to proceed. No work shall begin until approval is received. If work is begun before the building permit is issued, it will not be inspected and a certificate of occupancy will not be issued. ALL FEES WILL DOUBLE IF WORK HAS BEGUN BEFORE A PERMIT IS ISSUED.

PLEASE BE SURE TO INITIAL AND RETURN ALL EIGHT PAGES OF THIS APPLICATION

FEES:

Residential Building .002 x value (Minimum \$150)

Renovations .002 x value (Minimum \$75)

Commercial/Industrial .002 x value (Minimum \$200)

* *Any re-inspections will be subject to an additional \$50 fee**

(Fees are Subject to Change)

Applicant Must:

1. Obtain:
 - A. State Approval for construction of a Septic System.
 - B. Water hookup permit if serviced by Town Water.
2. Obtain a driveway permit from the Town of Carroll or State of NH as applicable. Driveway profiles to be indicated on all application and drawings for State Septic Approvals.
3. Show Town of Carroll tax map identification on All Permit Applications.
(This information can be found on www.townofcarroll.org)
4. Complete the application in full. If "not applicable" write "N/A" on the form.
5. Expansion of foot print, provide 2 copies of certified surveyed plot plan with placement of structures, driveways and all setbacks as well as 2 copies of blue prints for project to include foundation plans, floor plans, framing, elevation and thru sections.
6. Identify all plans with Owners names, dates and tax maps.

7. If you **DO NOT** own the property that the permit is being applied for, you **MUST** include a letter from the property owner authorizing you to act as their agent on their behalf.
8. Provide a photo copy of NH Master Electrician license **AND** a copy of NH Master Plumber license **AND** a NH Gas License.
9. The property owner of a single-family dwelling occupied by the owner as their **primary** domicile with no other living units in the structure may do their own electrical and plumbing work, but the work must comply with the applicable codes. Typically work done by an unlicensed tradesman will be inspected with a State Electrical or State Mechanical Inspector in conjunction with the Building Inspector.

INSPECTION REQUIREMENTS

**** 24 HOUR NOTICE MUST BE MADE PRIOR TO EACH INSPECTION. YOU MUST CALL 603-846-5775 TO SCHEDULE****

1. Foundation locations for **NEW DWELLINGS** must be certified and must be received in office prior to foundation inspection.
 - 1A. Foundation footings and walls must be inspected before concrete is placed.
 - 1B. Foundation must be stripped with all drainage in place and damp proofed (Footings and foundations must be installed to a minimum of 4' below grade).
 - 1C. Any underground Plumbing or Electric shall be inspected and or tested before backfill.
2. Temporary Electrical Service.
3. Rough Stage — all rough wiring, rough plumbing, HVAC, rough gas piping, masonry in place and rough framing completed.

Building shall be weather tight with all doors, windows and siding installed.
Meter sockets installed and grounded with the main breaker in place.
All fire separations of party walls visible.
Plumbing systems required to be pressure tested with 5 lbs. of air pressure or filled to the roof with water.
4. Insulation completed and visible with vapor barrier installed.

**5. Final Inspection / Certificate of Occupancy —
PROPERTY MUST BE VACANT AND WITHOUT FURNITURE**

- a. Oil/Gas Burner & Sprinkler / Cistern approved by the Fire Chief prior to requesting final inspection by Building Inspector.
- b. All permits up to date and in file (building, septic, well, plumbing, electrical, chimney, oil/gas burner).
- c. Completed well information sheet, signed by the well driller.
- d. State Approval to operate the Septic System.
- e. Signed Certification of compliance to NH Energy Code.
- f. If applicable, the Fire Department must sign the Certificate of Occupancy prior to the Code Enforcement Office.

Owner(s) Signature (required) **Date**

By signing this document:

- I/We understand that the information given is true and correct to the best of my knowledge and belief.
- I/We understand that this permit is valid only for the work noted and expires 12 months from the date of issuance.
- I/We understand that all construction will be done in accordance with Town, State and Building Regulations and that compliance is the sole responsibility of the applicant.
- I/We certify that all requirements specified in the Zoning Ordinance shall be met and that all structures shall comply with setback requirements as stated therein.
- I/We understand that the proposed work shall be done in accordance with the plans, sketch and specification submitted. I/We further understand that no changes to the permit shall be made without written notification to the Town and that changes may result in the need for additional approvals.
- I/We understand that the building permit card shall be posted so as to be visible from the street.
- I/We understand that violation of the terms of Zoning Ordinance, including beginning construction without a building permit, will result in an immediate cease and desist order, fees will double and I/We may be subject to fines outlined in RSA 676:17.
- I/We hereby agree the Building Inspector and/or his/her authorized agents have the authority to enter to inspect the premises at any time.
