

TO: Owner, Contractor, Developer

FROM: Carroll Water Works

SUBJECT: APPLICATION FOR WATER SERVICE

All owners of property, contractors, developers who plan to request a water service line connection to the Carroll Water Works distribution system must submit a signed water service application form when a building permit request is made. The application form may be obtained at the Carroll Town Hall located at 92 School St. Applications will be approved or denied within thirty (30) days by either the Water Works Superintendent or the Board of Water Commissioners. When denied, the reason for denial will be stated. A copy of the approved or denied application will be given to the applicant.

Please refer to attached rules and regulations for proper installation instructions and necessary inspections. Any questions should be directed to the Water Superintendent before installation.

No physical connection of a water service line to the Carroll Water Works distribution main line will be made between November 1<sup>st</sup> and April 15<sup>th</sup> unless previously coordinated and authorized by the Board of Water Commissioners or its authorized representative.

## CARROLL WATER WORKS – APPLICATION FOR WATER SERVICE

In signing this application the applicant agrees, if the applicant is connected to the Carroll Water Works water main, to abide by the rules and regulations, terms and conditions presently in effect under which the Carroll Water Works renders service and acknowledges that the violation of any rules or regulations, terms or conditions will result in termination of water service to the applicant connected.
