Carroll Board of Selectmen
School Street
Twin Mt., NH 03595

Dear Members of the Board,

This is to inform you of my resignation from the Cable Committee. I find it impossible to be productive when there is such entrenched and unmoving division between opinions. While maintaining a level of civility, there seems to be no effort toward compromise or any effort to find an alternative solution in the matter with which you charged the Committee. The result - no positive results, only a continuation of "no". I therefore choose to use my time in more positive pursuits. I thank you for your appointment and apologize that I could not be more helpful.

Sincerely,
Linda Dowling
